

## BREAKING NEWS: UNIFILL TO LAUNCH NORTH AMERICAN OPERATIONS

UNIFILL SRL and WINPAK LANE, INC. have signed an Agency and Cooperation Agreement on the basis of which the US based company Winpak Lane will be promoting and selling the UNIFILL range of thermoform, fill & seal machinery for unit doses.

Winpak Lane is a worldwide leader in liquid packaging machinery and part of Winpak Ltd. Winpak Ltd. and European partner Wipak supply high performance packaging materials to the food, medical and industrial markets. Unifill is a leader in the manufacture of vertical thermoform, fill and seal machinery. Their unique unit dose packages greatly augment the Winpak portfolio of vertical form, fill and seal pouch machines and the premade cup fill and seal machinery.

For U.S. and Canadian sales please contact Winpak Lane at 909-386-1772. Also, please, see the entire Unifill machine lineup at [www.Unifill.it](http://www.Unifill.it)
