INTERPACK 2002

The 16th International Trade Show for Packaging Machinery, Packaging, and Confectionary Machinery will be held April 24-30, 2002 at the Düsseldorf Trade Fair Centre in Düsseldorf, Germany.

interpack, which is held once every three years, was last held in May of 1999 and attracted 175,000 visitors from 105 nations and featured 2,500 exhibitors from 53 countries.

Winpak and [Wipak](#) will exhibit at interpack 2002. See our filling machines and flexible and semi-rigid materials for perishable food and beverages. On display will be the WP-12 designed for the highly successful Winpackage™ System, the premier solution for portable snack foods.

To find out more about Winpak and Wipak, visit us at the Show in Hall 10, Stand A22.
