

SOLVING PROBLEMS & OFFERING CUSTOM PACKAGING ARE WHAT WE DO BEST.

Winpak is the only supplier that can deliver the complete package solution of IML Container, IML Overcap and Die-Cut Lidding.

Our Overcaps are made from the same material as the container and the label, which cuts down on waste, reduces assembly labor costs and promotes recycling. We also specialize in developing custom barrier packaging, which includes UV light, oxygen and moisture barriers.

Let's Win Together

We want to be your partner to provide custom solutions to help your product stand out on the shelf. Please contact your Winpak sales rep so we can start strategizing how to take your next project above and beyond. Visit us at winpak.com/contact-us or snap the QR code below.

SPECIAL PROJECTS ARE OUR SPECIALTY

All orders are custom. Winpak will need a variety of design inputs to quote a custom IML tub and lid design. Annual volumes by SKU, number of colors by SKU, CAD of tub design, resin color, product sample, etc.
